

## How to use Cinderella?

Open lid and seat. The fan will start automatically

Place a bag in the bowl.  
Use a new bag on every visit.

Lower the seat. The toilet is ready for use.

If little waste is produced, pour in a cup of water to increase the weight of the bag, ensuring that it will fall into the chamber.

Close the lid. Cinderella may be used while incineration is in progress.

Push the 'start' button. Incineration will start when the yellow lamp lights up. The toilet is now ready for use again.
